

IT3000: Making IT Better

Privacy Policy

IT3000 may collect registration information, contact and customer requirement information, and other information (including e-mail addresses) on this Web Service. This is done to help us provide our customers with the best customer service and with valuable information regarding relevant products and services from IT3000 and appropriate third parties.

IT3000 is dedicated to protecting personal information and will make every reasonable effort to handle collected information appropriately. All information collected, as well as related requests, will be handled as carefully and efficiently as possible in accordance with IT3000's standards for integrity and objectivity.
